Learning Center Roles and Positions Defined

**Professional Staff**
The Learning Center employs six full-time professional staff members.

**Director**
Oversees the daily operations of the Learning Center.

**Assistant Director – Office of Academic Mentoring**
Oversees the academic mentors in SLA and SI sections.

**Assistant Director – Office of Tutorial Support**
Oversees tutoring initiatives.

**Assistant Director – Office of Academic Enrichment**
Oversees the Resource desk and resource mentors.

**Coordinator – Mentor Information Systems and Assessment**
Oversees Mentor Information Systems and conducts all Learning Center Assessments.

**Student Staff**
The Learning Center employs two types of mentors and coordinators that oversee them.

**Academic Mentors**
The Academic mentors plan and hold 1-2 study sessions per week while working with the instructor to ensure the class runs smoothly and students are receiving the help they need.

**Resource Mentors**
The Resource mentors are stationed at the Resource Desk (UC 2006) and help students out with study skills, laptop checkout, and other campus resources.

**Student Academic Coordinators/Resource Coordinators**
The Coordinators support the academic and resource mentors and assist them throughout the semester. In addition, each is assigned to multiple committees which are set-up to improve the quality of the program.
